

GOLOTRO

One line pitch:

Golotro, Huge Playgrounds

Market Analysis:

--> 250 dynamic cities in Europe over 100 000 inhabitants --> Focus on Germany, France & Spain

Value proposition:

Cities in Europe and around the world should move towards becoming a more stimulating environment for everyone. Golotro are large wooden structures, intended for parks and public spaces. They involve abstract shapes with curves, slopes, and complex surfaces to make you run, jump, and slide. Attractiveness : Golotro playgrounds are urban sculptures that bring life to their environment. User-friendliness : boys and girls from 5 to 55 years old can explore them. Parents can finally play with their children. Safety : Golotro playgrounds comply with European safety standards so that you can safely have all the fun in the world.

Business Model:

Golotro is a design and promotion company. It manages the whole engineering, marketing, sales, manufacture and delivery phases as a lump sum. Workshop manufacture and site works shall be subcontracted to specialized companies close to project location.

IP and Regulatory situation:

Golotro is a registered trademark and all models are protected by INPI
